00:46:28 Deb Brenner: Does LabXchange have any interactives on what DNA Subway is and how to use it to analyze barcodes? Is this something that other teachers look for?

00:46:39 Candice Johnson: You did really well Raegan!!

00:47:50 Jenny Frank: <https://www.labxchange.org/collaborators>

00:50:04 Deb Brenner: LabXchange is so easily searchable, and you don't have to wade through junk to find the gems. The tags are so useful for teachers. LOVE IT.
